OC-MLS WEEKLY STAFF NOTES (Continued)

25X1 8. We spoke with [] DDS&T Communications Requirements Coordinator, about reconciling the differences between what we have seen come through the Comptroller's Office for New Communications Services for FY-86 (Tab 13) and what OC costed during this past FY-86-90 Program Call. He stated that he would check with the Divisions and provide us with the findings.

25X1 9. We met with [] about reconciling the differences between the Tab 13's we have seen for FY-86 and what OC costed. He will be checking with the Divisions and providing us feedback. We also took this time to have a post-mortem on this past FY-86-90 Program Call exercise. He suggested that OC start sooner with their requests to the Directorates; otherwise, he feels that the exercise went well this year and should prove to be beneficial to OC in tracking communications requirements in the out-years.

10. C/SINAG attended the Improved NPIC System (INS) Preliminary Design Review on 2-3 May. There were no communications action items from that meeting. A copy of the briefing book will be available in SINAG.

25X1 []

12. Authorization to expend IMS/DO funds in the amount of \$100,000 to cover the costs of OC travel in support of CRAFT has been received. A memorandum to all OC Divisions will announce the procedures for using and accounting for those funds.

25X1 13. SINAG hosted a meeting attended by DI and OC representatives to discuss the narrative, FAX, secure voice and data requirements for [] A first-cut BOM and ROM costing has been prepared. A MFR is forthcoming.
